PULEDRI E STALLONI PLUS

COMPLEMENTARY SPORT HORSE FEED

This horse feed has been studied to strengthen the characteristics of the original product "Puledri e Stalloni". Starting with the same base composition, it has been combined with the newest technology by using a new balance of supplements such as amino acids, vitamins, minerals and probiotics from last generation. This makes a better finishing and completeness of young subjects. It resolves definitely the possible growth delays and problems and creates an athletic and strong body ready to sustain the beginning of the sporting activity. It also has demonstrated to be an excellent product for stallions during the breeding season.

COMPOSITION

flaked/milled BARLEY - flaked/milled MAIZE - SUNFLOWER EXTRACTED FLOUR - WHEAT BRAN - OATS - RICE BRAN - extruded SOYBEAN* - extruded LINSEED - SUGARCANE MOLASSES - CRUDE SOYBEAN OIL* - CALCIUM CARBONATE from minced rocks - SODIUM CHLORIDE - DICALCIUM PHOSPHATE from mineral origin - DL-METHIONINE - L-Lysine - YEAST INACTIVATED SACCHAROMYCES CERVISIAE strain NCYC Sc47Reg n4b1702

*PRODUCED WITH GENETICALLY MODIFIED SOYBEAN
